

EAST TEXAS PRO-LIFE Teen Leadership Camp

JULY 14-19, 2024 | BISHOP GORMAN CATHOLIC SCHOOL | TYLER, TX

GENERAL DRESS and HYGIENE CODE

In the spirit of recognizing our human dignity, self-respect, and respect for others and for Christ, we ask campers, volunteers, and staff to adhere to this dress code. In general, please do your best to use good judgement. We trust you! It is summer and very hot, and we will be indoors mostly.

1. Please do not wear hats indoors.
2. T-shirts may be untucked, but they should be neatly worn.
3. Garments should display only appropriate graphics.
4. Sandals are permitted since it is summer.
5. No underwear should be visible anywhere.
6. Shorts, pants, and skirts should be waist level.
7. Shorts and skirts should be 2 inches above the knee or longer.
8. Hairstyles should be neat and clean.
9. Please wear plenty of deodorant!
10. Excessive jewelry is discouraged.
11. Shirts must have sleeves. Tank tops are not allowed.
12. Leggings or tights may be worn under pants, shorts, or skirts not as outer garments.

GENERAL POLICIES AND GUIDELINES

For the sake of mutual respect between all participants, staff, and volunteers, these are some reminders:

1. Please arrive on time each day.
2. Please stay for the full day.
3. If you must be late or leave early, contact us.
4. Absolutely no foul language will be tolerated.
5. Please be patient since we are a large group.
6. If you have constructive criticism, we will provide a form for you to let us know how to improve things next time.
7. Minors may NOT leave the locked facility unless accompanied by an adult, such as when we go together to Adoration and Mass. This is extremely important!
8. Mobile phones should be turned off or put on silent mode.
9. Be attentive to good manners at all times.
10. Please pray without ceasing for success and protection!

WHAT TO BRING TO CAMP

During the camp, we will provide meals, some drinks, and snacks. Please bring:

1. Rosary for prayer after daily Holy Mass
2. Water bottle to refill during the day
3. Snacks to share with the group

KEEPING UP WITH THE INFORMATION

To save costs and cut down on waste, we are not printing notebooks. However, we will (for real this year) make all the information that you learn at camp available on the website so you can access it any time from any device. You'll have the information you learn available to you throughout the year.

We will be covering a LOT of information and challenging you to think about what God is calling you to do to build a future of love. That calling can manifest in millions of ways in your vocation.

ABOUT OUR 2024 THEME - A Future of Love

The first two years of camp were life-changing. Families, communities, priests, seminarians, experts, and the people of the Church came together to make camp week important and meaningful, but most of all YOU, the teens, inspired the theme for 2024. Even though we live in a fallen world and even though our human laws will never get everything exactly right, when we **will the good of the other**, we build a community of love — a truly more excellent way. Christ showed us how to love. We believe that if you experience a community of love for even just a week, then you'll know the kind of future to build. The world will belong to you soon! Build a **Future of Love**.
